Due to flood he lost his house and Naipunnya Rebuild Mission has built a house for him.

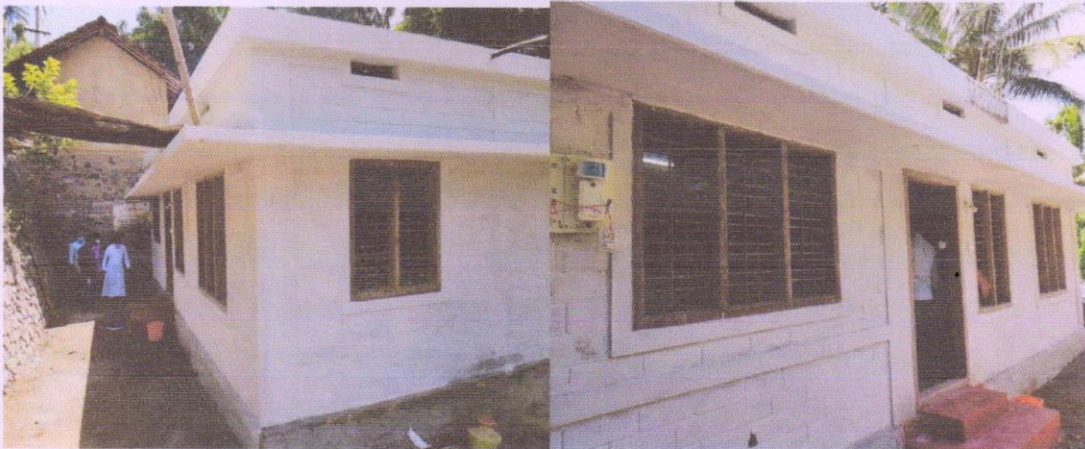

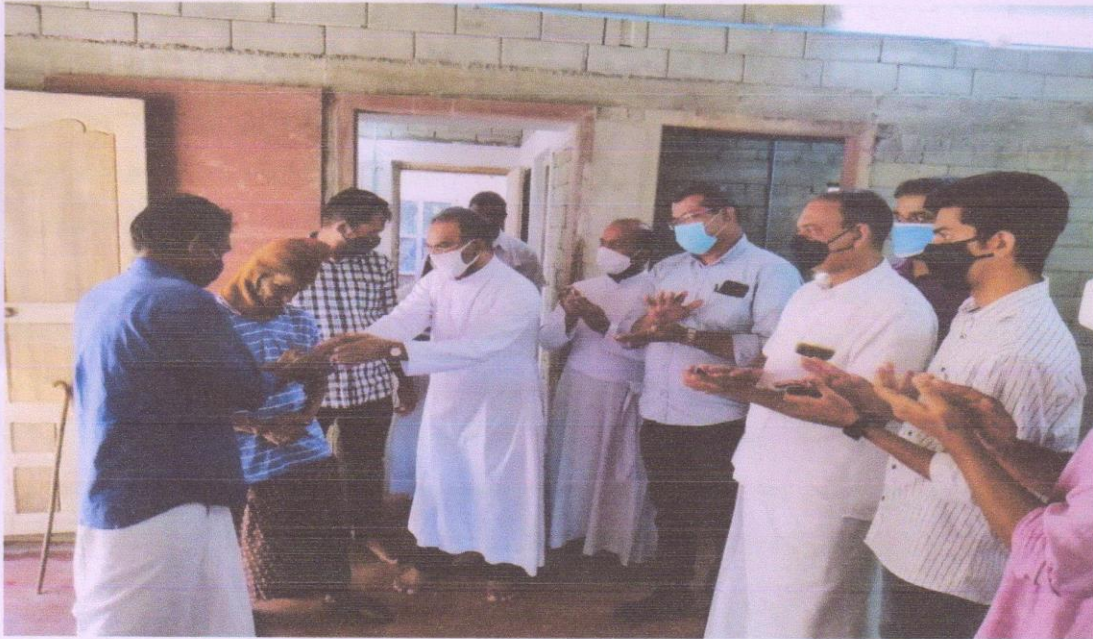

The entire college all together including staffs and students equally contributed for rendering a helping hand for the needy. Fr. Varghese Pulikal (Campus Minister) and Fr. Antony Kallukaran , Mr. Jiss Jose (Faculty), Mr. Jimmy(Finance Manager) and Anto Davis(student representative) attended the function representing our college . Sr. Tessy Mayinatial, Mr. Martin Joseph (ward member) and parish council members also attended the function .The blessing was done by Fr. Varghese Pulickal , along with Fr. Sibin Karuth , vicar of the corresponding parish. The key and the gifts from NIMIT family was handed over to the family. We are proud to join in our effort to help poor people to build their dream. Their blessings and those smiles that burden on their lips were the greatest rewards we could take back. We look forward for doing much more services like this.

It was a remarkable extension service to the needy. It should be an eye opening experience for everyone.
