

Report on Anti-Drug Awareness Webinar

The DARE cell of Naipunnya Institute of Management and Information Technology hosted a webinar with the aim of empowering the student community regarding the ill-effects of drug abuse on the society. The search for the apt resource person introduced the cell to the Preventive Officer of the Chalakudy Excise Office. Mr. Raphel M. L., who is a renowned speaker and also a sportsman readily accepted the offer and he opined that he was even excited to educate the students and that too on the online platform.

The Webinar started at 2:00p.m. on 26th June 2020 as scheduled. The meeting started with a prayer followed by the welcome address by Mr. Livin Wilson, DARE cell coordinator and a message by Rev. Fr. Paulachan K J, Principal- Naipunnya Institute of Management and Information Technology, Pongam. Mr. Raphel first spoke on the attitudinal changes of the upcoming generation. He also stated that the intimacy among the family members are degenerating which he proved from the cases that he attends on a daily basis on his professional duty. He then depict about the duties of parents towards their wards and also the duties of the children towards their parents.

The talk was indeed an interesting one and also give new insights to the audience. Mr Raphel then explained how drugs were affecting the family and society. He explained that the drugs were all having their uses and applications of their own. He then explained that these drugs which were used for the good was misused for illegal and anti social activities. he explained that the young generation, especially the student community was in extreme danger due to the exposure towards the anti social elements in the society. He commented that our system has very limited means to restrict the drug abuse and the family and society should play its role in regulating the drug abuse.

The webinar came to an end with an interactive session with the audience who asked regarding seriousness of drug abuse and awareness of the younger generation and also other current matters. The number of participants were limited to 36 but all the participants gave the opinion that this session was interesting and also informative and relevant in today's scenario. The webinar wined up with a vote of thanks delivered by Mr Joseph James - coordinator, DARE cell.
