REPORT

Report on Advanced Learners Program (September)

The second session in association with the Advanced Learners Program, was organized by Naipunnya Institute of Management and Information Technology on 4th September, 2019, at the main block seminar hall. We were lucky to have Dr.Suja Karthika as the guest speaker. Dr.Suja started her career as an actress in Malayalam films. Later, she switched to academics, served as a college professor and recently acquired her doctorate from CUSAT, Kochi. She also dons the roles of a dance instructor and a speaker/trainer at her own venture 'Exceller Training'.

At 10 AM, as scheduled, the event started with a prayer. The principal Fr.Dr.Paulachan Kaithottungal addressed the students and introduced the guest to us. Vice Principal Ms. Emily Ittiachan was also present. Taking the session forward, Dr.Suja spoke on "Unconventional Paths to Success". It was inspiring to listen to her life story, how she transformed herself from an actress to a doctoral fellow. Her presentation was set in a casual style and was very immersive, intended to impart simple life lessons, which the students found interesting. The analogies were simple, and at the same time heart-touching. Suja ma'am made us realize the power of dreams and the persistence they demand. At the end of the session, she made us write down our goals for the next 10 years, which was a very constructive exercise and gave us clarity on our priorities.

Dr.Suja also attended to the questions raised by the audience. She was able to hook the audience with her charismatic personality and her deep knowledge. The student community responded very positively and conveyed their suggestions during the feedback session that followed. The event concluded by 12:15 PM.
