Dear Faculty Members

A new initiative of the Faculty Enhancement Program is the 'Research Proposal Competition'. The aim of this new enterprise is to promote research and paper publication. The one day 'Research Paper Writing', workshop has surely influenced our faculty members to carry out research activities. With proper support and encouragement from HODs, all faculty members will be inspired to take part in this competition. The Principal has agreed to award prizes to the best proposals. The proposals may be submitted under the following domains- Computer Science, Commerce & Hotel Management, Languages. A research proposal should have the following- 1. Title 2. Three Objectives. The proposals should reach the coordinator by 6/12/2019.

Let's nurture and promote the joy of discovery.

Coordinator
J. Sebastian
