

Report on "Bin to Beauty" (Ananya : Women's Club Activity)

As the part of Ananya Activity, the team come up with a creative competition named as "Bin to Beauty" exclusively for Nimitian girls. The competition was all about making creative and productive items from the scrap materials. A google sheet was shared to the class teachers where the students could have registered through their class teachers. There were plenty of entries for the competition and the students were given time and date till 29TH September 2020 4.00 PM. Students were asked to send their creative product making videos to the concerned competition mail id. The video was restricted to maximum 30 minutes. It was quite a tough competition for the evaluators to judge the event. The results were announced in the first week of October by Principal Rev.Fr.Dr.Paulachan K J during the morning Assembly. Winners were awarded with Cash Prizes.

Dear All,

The women's Club is very much proud to announce the second activity for our Girl's Community which is named as "Bin To Beauty" (Product making Competition from Scrap). The brochure and the detailed guidelines are attached to this mail.

I humbly request the teachers, especially the class in charge to motivate your girls to participate in the competition. Kindly share the information to the class Community too.

Google sheet will be shared soon for registration

Thanks and Regards,
