

## **The Placement Cell, NIMIT**

### **Report on TAGLIO Session 2(For Commerce Department)-2020-21**

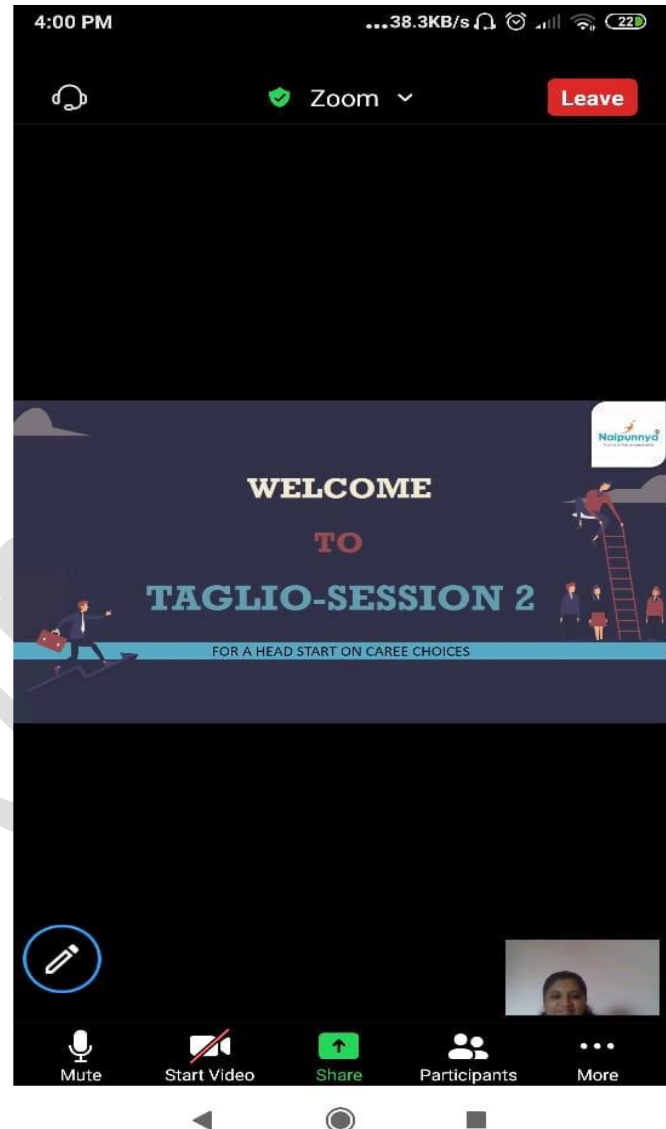

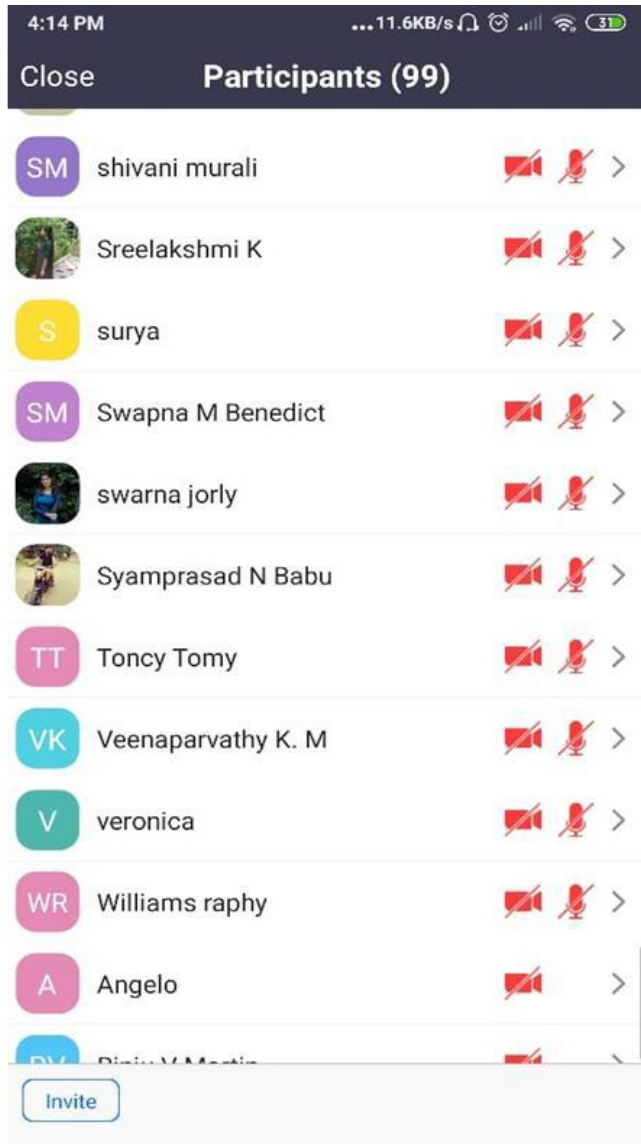

Name of the Event : TAGLIO Session 2-The career counselling program.  
Resource Person : Mr.Biju Damodharan  
Head of Design,Amazon India.  
Date : 14.08.2020  
Time : 4pm to 5pm

The career counselling program TAGLIO session 2 of commerce department was successfully organized by the placement cell on 14th August 2020, Friday at 4pm-5pm. The session was done through online platform (zoom meetings). Around 100 participants attended the session. 20 students from each class have got opportunity to attend the session.

The resource person of the session was Mr. Biju Damodharan (Head of design at Amazon India, Leading UX for shopping, Fintech). The programme was highly interactive so that the participants could clarify many of their doubts about the future enterprises/start up. Few doubts of students discussed in the session is attached below.

1. What changes occurred in the field of logistics and supply chain management in the current scenario? What are the scope of MBA with logistics specialization in India and abroad?
2. How could we proceed with marketing of goods & services in pandemic situation? Especially a career for those with sales & marketing specialization.
3. As a fresher while preparing for my CV, what should I write as the profile summary & what are the tips for virtual interview?
4. What kind of jobs do you find most challenging for future?
5. I would like to know whether we can continue with the job after the course or would it be only an internship.
6. Has the availability of opportunities abroad declined sharply in the wake of the pandemic. Is it advisable to consider job opportunities abroad keeping in mind the present scenario?
7. What are the current changes we can expect from the business world regarding the work at home scheme?
8. Is any new qualities have become even more vital in a new hire since this pandemic?
9. Which companies or industries should we target for the future?
10. All areas are step into virtual mode so lots of job opportunities are lost. We know that but some new opportunities also developed for achieving that. What extra we need to do along with our course for getting that?
11. During this Covid-19 situation many of employees, if recruited what will be their placement status in this pandemic situation.
